

Are You a Homeowner?

Is Your Water Currently Shut off?

Buffalo Water is restoring service to people who had their water turned off for not paying their bills to provide this essential service during the coronavirus pandemic.

If you've had your water turned off for non-payment, you're asked to call the city of Buffalo's customer service line at **716-847-1065**.

Or call the Western New York Law Center at **716-855-0203 Ext. 128**.

**BUFFALO
WATER**

We are restoring service to all residents who have had their water turned off as water is essential to public health during this pandemic.

**If you've had your water turned off
PLEASE CALL 716-847-1065**
